INTELLIGENCE MEMORANDUM

The India-Pakistan Situation
(Report #69 - As of 4:00 P.M. EDT)

1. The Indian explanation of the outburst of firing in the Wagah sector [redacted] accuses the Pakistanis of having infiltrated behind Indian lines near Wagah, Sialkot and Khem Karan. When these troops allegedly failed to leave after having been given an ultimatum to do so, the Indians began shooting to drive them out. Press reports indicate that firing in the Wagah sector is continuing.

4. Karachi Radio also broadcast charges of Indian violations of the cease-fire, specifically in the Barki area southeast of Lahore and in Kashmir. In addition, there were charges that Indian troops after the cease-fire had seized more Pakistani territory.

5. The above incidents and the earlier report of fighting in the Wagah sector are indicative of the problems that will confront the UN teams attempting to keep the cease-fire.
